

Mountain Mover's Prayer Intentions

MARCH - APRIL 2022

Dear Brothers and Sisters in Christ Jesus,

The world was suffering for nearly 3 long years from the Corona Virus and the suffering had been immeasurable. The world had shed enough and more tears and we do not see an end to it today.

What is happening now?

I wish to draw your kind attention to the continuing war situation in Ukraine and to the appeal made by our dear Pope Francis to make 2nd March Ash Wednesday a day of intense fasting and prayer so that the Lord of Mercy may hear our cry and soon have an end to the war situation.

I further appeal to all of you to watch news on TV, read the papers etc. in order that we may get a good picture of what is happening at this time of war. Yesterday I myself watched the war situation on YouTube and my eyes were filled with tears and my heart lifted to the Lord. The soldiers were dead, some bodies were burning, kids were crying, and undoubtedly, watching the situation will make our prayer more intense.

Please make the faithful aware of the situation as much as possible and get them involved specially in making Ash Wednesday a day of fasting and prayer for peace, honouring the appeal of our dear Pope Francis.

May the Queen of Peace preserve the world from war.

May God bless you and your beautiful families bountifully.

Yours in Christ Jesus and Blessed Mother

Ranjana.
